Dear Customer,

I can confirm that Polyurethane foam as supplied by Vitafoam is defined as an article under the REACH regulation. As such it does not require registration within the REACH process.

Furthermore, I can confirm that Vitafoam do not use any of the substances documented in the Candidate List of Substances of Very High concern for Authorisation at the time of the most recent update on 17/12/15 in the manufacture of polyurethane foam.

If you have any further questions, please contact me.
